

what is Green Deal Cash Back?

Green Deal is a government initiative to assist householders to reduce their energy bills through installing energy saving measures to their property, saving not only on heating bills but also receiving Green Deal Cash back as a government contribution to the measure.

What is Green Deal Cash Back?

The Green Deal Cash Back scheme is a first come, first served offer where householders can claim cash back from the government on energy saving measures.

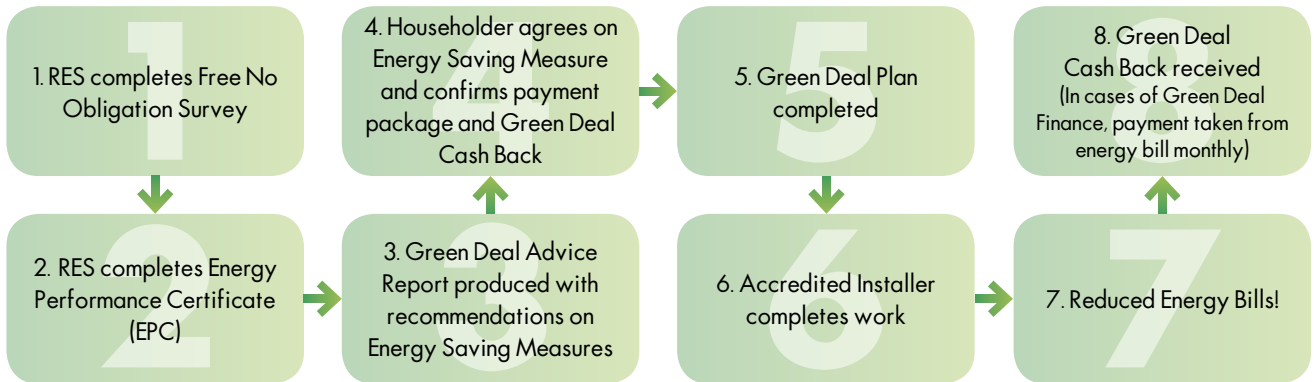

What is Green Deal Finance?

One method of funding your energy saving measure is through Green Deal Finance. Green Deal Finance is a low cost loan, however differs significantly from regular lending as that the repayments can be covered directly from the savings made on your energy bill.

The amount borrowed is attached to your property rather than you as an individual, hence if you wanted to sell your home, the outstanding amount would stay with your property and not move with you.

By taking advantage of the Green Deal Cash back and the Green Deal finance you will be able to affordably improve your property and the Energy Performance of your property for the future.

The Green Deal process:

“Green Deal Cash Back, up to £7600 available now!”

Green Deal frequently asked questions

"contact us to arrange a survey for your home"

How do I access Green Deal?

A Green Deal Assessor will visit you and complete a Green Deal Advice Report on your home. This will survey your home's current energy efficiency, assess how you use it and make recommendations for improvements. Contact us on 0800 111 4045 to arrange a survey for your home.

What energy saving measures apply to Green Deal?

- Solid Wall Insulation
- Boiler replacement
- Double/secondary glazing
- Cavity Wall Insulation
- Warm Air unit replacement
- Storage heater replacement

"solid wall insulation, boiler replacement..."

"the Green Deal golden rule"

What is the "Golden Rule"?

The Green Deal Golden Rule states that the energy savings a property makes in a 25 year period must be equal to or more than the cost of having the changes in the first place. It is possible to choose a shorter time period, but the return on investment must be paid for within that time.

Many measures offer a return on investment within a much shorter time frame, and therefore are financially lucrative with or without Green Deal Finance.

What is the Green Deal Home Improvement Fund?

Householders in England, Wales and Scotland are able to get up to £7600.00 back through a new Green Deal Home Improvement Fund so they can take control of their bills and improve the energy efficiency of their homes.

Householders can access the following:

- Up to £1000.00 for installing two measures from an approved list; and/or
- Up to £6000.00 for installing solid wall insulation;
- Up to £100.00 refunded from their Green Deal Assessment.

Can I switch energy suppliers if I take Green Deal?

You can still switch energy suppliers as all of the larger providers (British Gas, EDF, EOn, NPower, Scottish Power and SSE) are currently part of the scheme.
